HANNEMANN TAKES A STANCE ON HB 444 AFTER CAREFULLY REVIEWING THE NUMBERS

HONOLULU— Chairman Jonah Ka’auwai released the following statement on the comments made by Mufi Hannemann [an article](#) in today’s Star Advertiser, “Hannemann Would Veto HB 444.”

“After more than 10 days of political maneuvering, Hannemann must have reviewed his polls and discovered that taking a clear stance on HB444 was politically beneficial.

Is this the kind of pono leadership Hannemann promises in his [latest television ad](#)? Hawaii deserves a principled Governor who is not afraid to make decisions and take positions on controversial issues.”
