

## **RESOLUTION ON PROTECTING HUMAN LIFE**

**Whereas**, the Hawai`i Republican Party recognizes that an individual's *Life* and *Liberty* is threatened when an all-powerful state can declare some innocent human beings are not entitled to equal protection under the law;

**Whereas**, the Hawai`i Republican Party believes that a human life cycle starts at fertilization and ends at natural death and that throughout this cycle he or she has rights;

**Whereas**, the Declaration of Independence of 1776 states that: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness;"

**Whereas**, a responsible and just government must do everything it can to protect a person's unalienable rights of life, liberty and the pursuit of happiness from all other persons, entities and/or government itself infringing on those rights;

**Therefore, be it resolved**, that the Hawai`i Republican Party in convention at Lihue, Hawai`i, May 14, 2011, declares that our government must do everything it can to protect innocent human life from fertilization to natural death.

**Therefore, be it further resolved**, that copies of this resolution be posted on the Hawai`i Republican Party website and distributed to Hawai`i elected officials and media for public dissemination.
