

RESOLUTION IN OPPOSITION TO CHILD EXPLOITATION

WHEREAS, the issue of child exploitation has increased exponentially through various means such as Comprehensive Sexuality Education; human and sex trafficking; and allowing sex reassignment surgeries on minors. These are all terrible ideologies that are meant to cause confusion and great harm, both morally and physically, to those we must protect the most: our children.

WHEREAS, Comprehensive Sexuality Education is now rampant throughout our nation's schools and teaches our children how to have variant forms of sex, whether anal or oral, and includes sodomy. An excellent website that discusses this issue is stopcse.org.

WHEREAS, The Trafficking of Persons 2019 report noted that human and sex trafficking is a worldwide problem with over 24.9 million people enslaved either through peonage (debt slavery) or sex trafficking. Here in the U.S., human trafficking is often through the foster home care system. Human trafficking is also associated with illicit drug trafficking. Unfortunately, with today's smartphones, human and sex trafficking is widely used via this type of technology.

WHEREAS, the James Younger case in Texas brought international attention to the issue of sex reassignment surgeries. We oppose this extremely invasive and complex surgery,

WHEREAS, Endocrinologist Michael Laidlaw, M.D., noted that giving children high doses of hormones and other medications impedes the normal development of the brain and bone (causing osteoporosis) and brings about neuropsychological damage.

WHEREAS, the Hawaii Republican Party (HRP) opposes Comprehensive Sexuality Education in our schools; we oppose any form of human, sex, and drug trafficking; we oppose any sex reassignment surgeries on minors.

WHEREAS, the HRP supports legislation to prevent pornographic material from entering our schools and libraries through Comprehensive Sexuality Education.

WHEREAS, we oppose the use of "Drag Queen Story Hour" and all similar programs in public schools and libraries as the target is the indoctrination of our young. And,

WHEREAS, the HRP supports legislation that prevents any form of human, sex, and drug trafficking through the use of modern technology, like smartphones.

WHEREAS, the HRP supports legislation banning sex reassignment surgeries on minors. We support educating the public on what sex reassignment surgeries entail.

THEREFORE, BE IT RESOLVED, that the members of the Hawaii Republican Party in virtual Convention on 25 July 2020 reject all forms of child exploitation.

AND, BE IT FURTHER RESOLVED, that a copy of this resolution be transmitted to all of Hawaii's state legislators and to the 4 members representing Hawaii in Congress.
